

Tata Capital Healthcare Fund's Visalakshi was a panellist at the CII Western Region Hospital Tech Conclave on 14th Nov 2022 in Mumbai and they discussed on “**Investment in Healthcare**”, along with the other panellists that included.

- **Prem Pavoor** - Senior Partner, Eight Roads Ventures
- **Mohit Khullar** - Managing Director, O3 Capital
- **Kaustav Ganguli** - Managing Director, Alvarez & Marsal
- **Vishal Bali** - Executive Chairman, Asia Healthcare Holdings

Visalakshi Chandramouli-Managing Partner (TCHFL) said, “Healthcare and life-sciences sector in India has received over USD 25 bn of private capital across 1000+transactions. For Tata Capital Healthcare Fund, growth stage minority investment is the primary focus across two core themes of Domestic Consumption and competency. The Consumption theme backs businesses that cater to the large India market like healthcare delivery and domestic pharmaceuticals while the Competency Theme is a bottoms-up investing strategy like healthtech or CDMO business catering to the global markets.”
